

PARTICIPANTS NEEDED!

Are you an immigrant parent of a child diagnosed with dyslexia?

2. What happens if I take part?

- Complete a short online **questionnaire**
- Take part in a 45 minute Zoom interview at a time that suits you
- **Interviews** will be securely recorded, stored on encrypted servers, only accessed by the research team

4. ELIGIBILITY?

Looking for participants who are:

- ✓ Migrant parents living in the UK
- ✓ Has at least a child that received diagnosis for dyslexia in the UK

For any enquiries, contact **Dina Hasnan**, qtnzdih@ucl.ac.uk, or **Dr Juhayna Taha**, juhayna.taha@ucl.ac.uk

1. PURPOSE

This study focuses on experiences of accessing and navigating assessment and support services for dyslexia to identify support strategies for migrant parents seeking assessment and support for their dyslexic children.

3. Benefits of taking part

Gaining your insights will contribute to **informing professionals and educators** on how to better support migrant parents' access and navigation of dyslexia assessment and support in the UK
