

What you can expect from an assessment

Parents and carers can trust our expertise and quality of assessments

14 days before

We collect relevant information from a range of sources up to 2 weeks prior to the assessment date

3 - 4 hours

Spending time talking with you and your child, and carrying out a range of activities and tests to measure phonological awareness and academic achievement

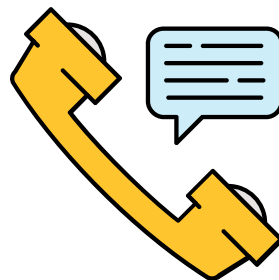

20 days

We take time to ensure the highest quality of diagnostic reporting and our own QA processes, you will take receipt of the final report within 20 days

3 months after

We provide free advice sessions post assessment for parents, carers and teachers based on diagnostic reports

How to book an assessment

You can request to book an assessment via our website dyslexia.uk.net and we will contact you to discuss available dates and costs.

We can provide assessments either remotely, or in-person (dependent on your location)

Information for parents & carers

What to do if you want to find out if your child has a specific learning difficulty

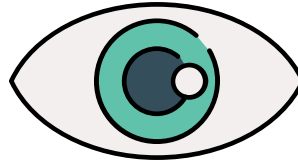

ABOUT The Dyslexia Association

Since 1971 The Dyslexia Association have been providing specialist assessments, screening and teaching for young people with dyslexia

We are a collective of qualified specialist teachers and assessors with years of experience and up to date assessing qualifications and APC registration.

We provide teaching, screening and diagnostic assessments for young people (and adults).

OUR Core Values

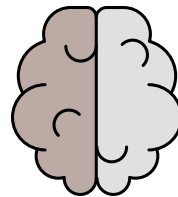

We have integrity

We do not cut corners. We work hard to provide the very best services to everyone.

We are original

We aim to use the best and most up to date resources, tests and products.

We are human

We are fearless about celebrating our differences and being passionate about our strengths.

OUR RECENT Achievements since 2023

6904 specialist teaching & tuition sessions delivered

3335 diagnostic assessments & screenings

14420 individuals helped and supported by our helpline
